🚢 Engine	Twin 300 Yamaha Outboards
📅 Year	2024/25
🕒 Hours	75
📍 Lying	Guernsey

Summary

Built in 2024 and first registered in June 2025, this lightly used Merry Fisher 1095 offers comfortable and versatile family cruising, with three cabins for up to six guests, a bright pilothouse and a spacious cockpit. Twin 300hp Yamaha outboards provide impressive performance, while joystick control and a bow thruster make handling straightforward. Her excellent cruising inventory includes comprehensive navigation equipment, autopilot, shore power, hot water and teak decking.

Serviced, polished and antifouled in April 2026, she is ready to enjoy and offers an attractive alternative to buying new.

Part exchange considered.

Key Highlights

- Yamaha joystick control with integrated variable-speed bow thruster
- Quoted maximum speed of approximately 37 knots
- Garmin navigation suite with radar, sonar and AIS
- Six fixed berths plus a convertible double berth in the saloon
- Teak cockpit with convertible seating and sunpad
- Camper cover, beaching legs and roof-mounted storage rack included
